Places in Student Dormitories are made available in pools, which may be assigned to a specific organizational unit (each unit has its own allocation of places) or constitute special pools (available under terms other than affiliation with a given unit). Please indicate the pool under which you wish to apply for a place in the student dormitory. Each applicant may submit only one (1) application.

Pool selection

The list displays the available pools of places that: belong to the department running your study program, have not been selected by you in another dormitory application, or belong to special pools that you are eligible to access. If the required pool is missing from the list, please contact the department responsible for dormitory applications.
